

Fireplace Soot Eraser™

NATURAL RUBBER SPONGE

STOCK NUMBER	PRODUCT DESCRIPTION	PACKAGE QUANTITY	APPROX. LBS. SHPG. WEIGHT
SE-1	Soot Eraser Single Pack	1	0.4
SE-12D	Soot Eraser Counter Display	12	4.5
SE-24	Soot Eraser – Bulk Pack	24	9.0

The "Soot Eraser" works like an eraser absorbing smoke residue, soot, flyash and dirt. Works on most surfaces including:

- Brick
- Mantels
- Fireplace Hearth
- Woodwork
- Window Blinds
- Window Shades
- Most Wallpaper
- Painted Walls

Do not use excessive force, just pull over the surface with moderate pressure. Periodic, frequent use is recommended to avoid substantial build-up. For storage between usage, keep the "Soot Eraser" in a resealable plastic bag. Extended exposure to the air will dry out the rubber making it ineffective.

USE COMPLETELY DRY!

- NO SCRUBBING ■ NO CLEANSER
- NO SOLVENTS ■ NO MESS
- 100% NATURAL VULCANIZED RUBBER
- NON-TOXIC

Fireplace SmokeGuard™
